NR1060

53 Gallon
Industrial Ride-On Scrubber

The NR1060 Industrial Ride-On Scrubber is engineered for high-demand environments where efficiency, reliability, and ease of use matter most. Designed to handle expansive floor spaces with minimal downtime, it delivers consistent, professional-grade results while keeping operating and maintenance costs low. Intuitive controls and responsive handling allow operators to adapt quickly to different floor conditions, ensuring a thorough clean across a wide range of commercial and industrial settings. Its advanced squeegee and recovery system leaves floors completely dry and streak-free after every pass, reducing slip hazards and allowing areas to be reopened immediately. From busy retail spaces to large logistics facilities, the NR1060 streamlines daily cleaning routines, helping teams work faster, smarter, and more productively.

Highlights

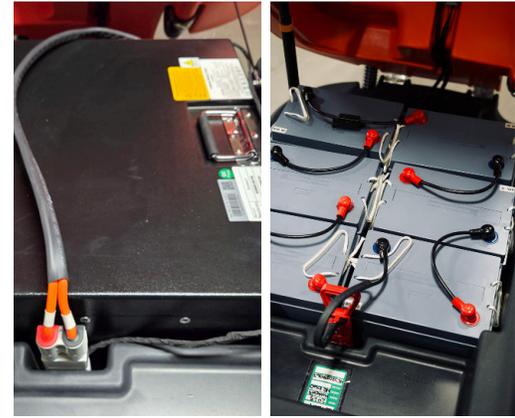

- ✓ 45" scrubbing width / 42" washing width
- ✓ 53 gal solution & 55 gal recovery tank
- ✓ Cleans up to 74,100 sq. ft. per hour
- ✓ Waterproof LCD touch control panel
- ✓ Adjustable brush pressure, speed & water flow
- ✓ Voltage: 36V
- ✓ Run Time: 5-6 hours
- ✓ Brusher dimension: 19in
- ✓ One-button electric brush & squeegee lift
- ✓ Water-level alarm & defoaming system
- ✓ Maintenance-free battery & charger lithium or AGM options

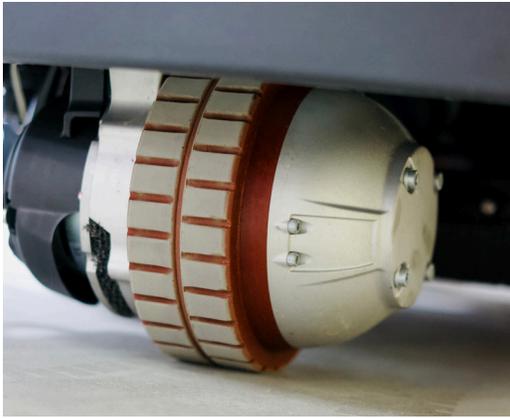

Integrated waterproof touch control panel with LCD screen for simple operation.

Easy-adjust squeegee with high-powered suction for fast, streak-free water pickup.

High-capacity, maintenance-free, lithium and lead-acid battery provides long operating times.

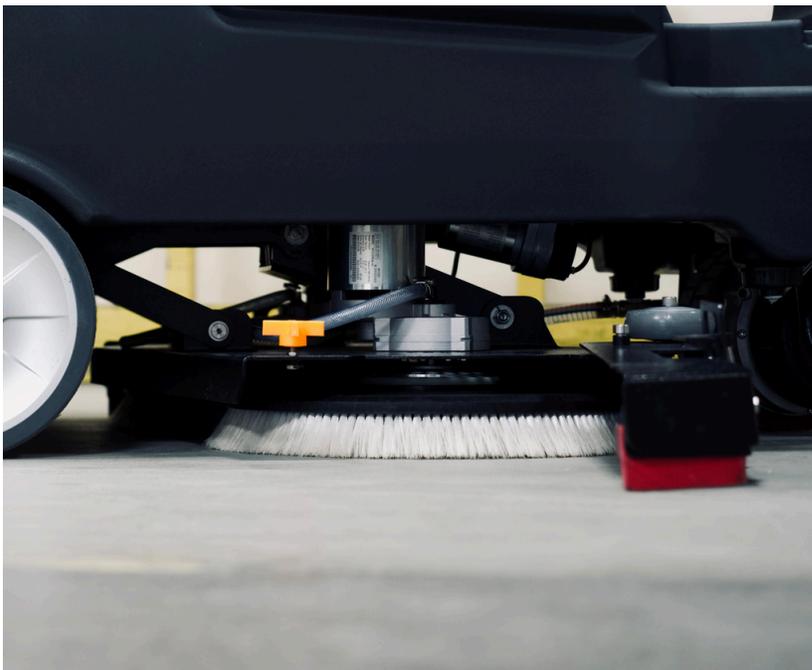

High-power anti-slip front wheel drive prevents slipping on a slope ensuring safety.

Ergonomic steering wheel for a more comfortable drive.

External water level indicator that shows how much clean solution remains in the tank.

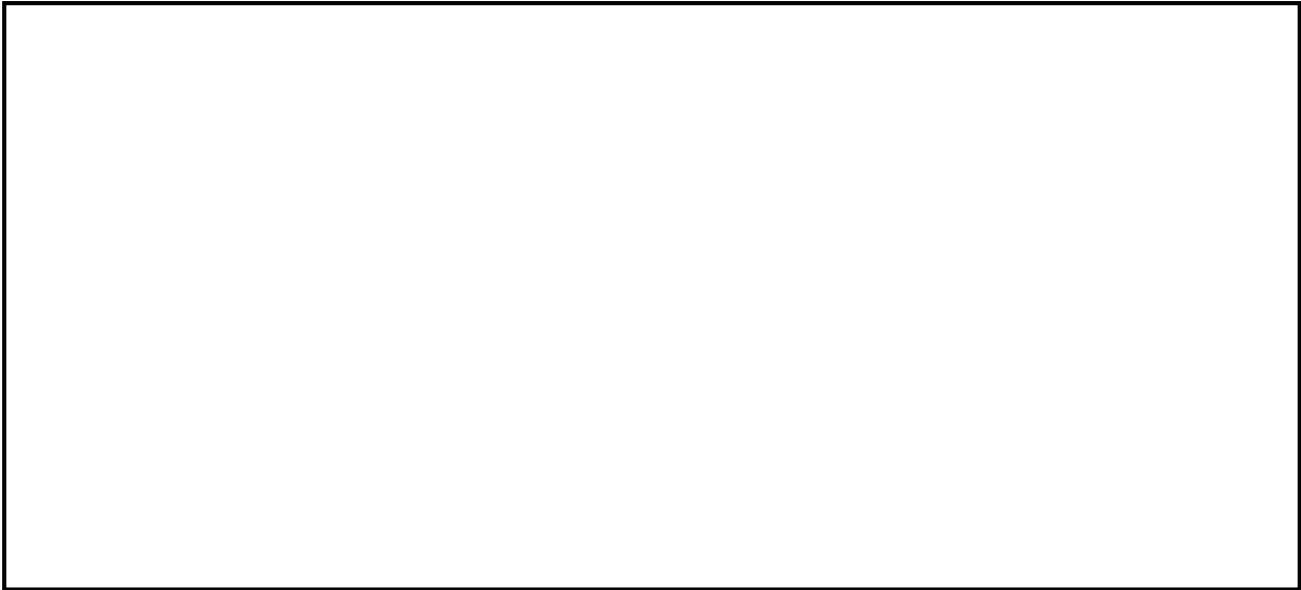

Clean & Professional

It cleans large floor areas in a fraction of the time compared to manual methods, lowering labor costs while using less water and fewer chemicals. With efficient solution usage and powerful one-pass cleaning, the NR1060 delivers a hygienic, consistent clean while helping reduce operating expenses and environmental impact.

Specifications

1.1	Manufacturer		Noblelift
1.2	Model		NR1060
1.3	Drive		Electric
1.4	Type of Operation		Ride-on Scrubber
1.5	Cleaning path (Brush diameter)	mm/in	1059 / 41.7
1.6	Scrubbing width	mm/in	1145 / 45
1.7	Squeegee width	mm/in	1145 / 45
1.8	Solution Tank capacity	L /gal	14 / 52.8
1.9	Recovery Tank capacity	L/gal	14.5 55.5
1.91	Clean productivity	ft ² /h	74,100
1.10	Continuous working time	h	5-6
1.11	Brush motor rated power	Hp	0.74x2
1.12	Vacuum motor rated power	Hp	0.8
1.13	Drive motor rated power	Hp	1.1
1.14	Traveling speed	kmh / mph	0-6 / 0 - 4
1.15	Sound level	dB/A	68±3
1.16	Battery	V/A	36V (6x6V 200Ah)
1.17	Battery weight	kg/lb	4x74
1.18	Charger	V/A	110v single phase 36v25a
1.19	Total weight	kg/lb	1,131
1.20	Product dimensions	mm/in	1800x851x1349 / 70.9 x 33.5 x 53.1
