NB100

Built for Daily Maintenance

The NB100 from Noblelift Canada is a compact, walk-behind lithium-powered floor scrubber engineered for businesses that need efficient cleaning in tight spaces and busy environments like retail floors, restaurants, healthcare facilities, or commercial offices. Built with reliable performance and user-friendly operation in mind, the NB100 tackles tough dirt and grime while leaving floors dry and safe in a single pass.

Highlights

- ✓ Cleaning Width: 17 in
- ✓ Working Efficiency: 3,280 sq ft/hr
- ✓ Solution Tank Capacity: 1.25 gal
- ✓ Rated Voltage: DC-36V
- ✓ Recovery Tank Capacity: 1.75 gal
- ✓ Noise: 65 db
- ✓ Battery Size: 12Ah
- ✓ Run Time: 130 minutes

Why Choose the NB100?

✓ Compact & Maneuverable

Designed for narrow aisles, corners, and congested areas where traditional scrubbers can't operate.

✓ Lithium Power Efficiency

36V lithium battery provides consistent performance, fast charging, and long service life, without the maintenance of lead-acid batteries.

✓ Dual Brush Cleaning Action

Counter-rotating brushes agitate and lift dirt effectively for professional-grade results.

Touch controls for dual water flow rates, variable speeds

Battery is easy accessible for simple replacement and multi shift usage

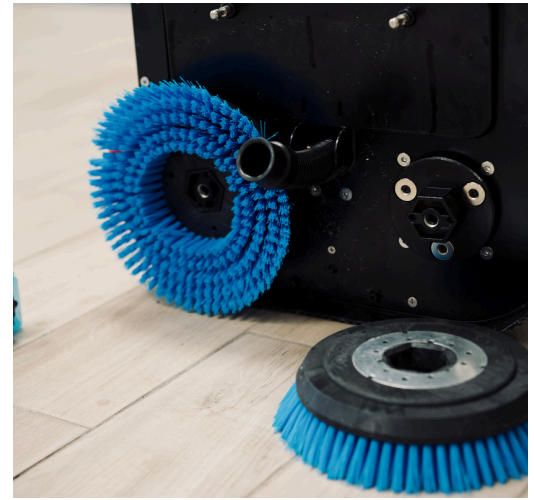

Makes transport easy

Brushes easy to remove for easy/simple maintenance and replacement

A removable squeegee helps for daily maintenance

Brushes easy to remove for easy/simple maintenance and replacement

Ideal Applications

- ✓ Retail stores
- ✓ Grocery aisles
- ✓ Warehouses
- ✓ Auto dealerships
- ✓ Clinics & medical offices
- ✓ Schools
- ✓ Hospitality spaces
- ✓ Small industrial facilities

Clean Smarter in Tight Spaces

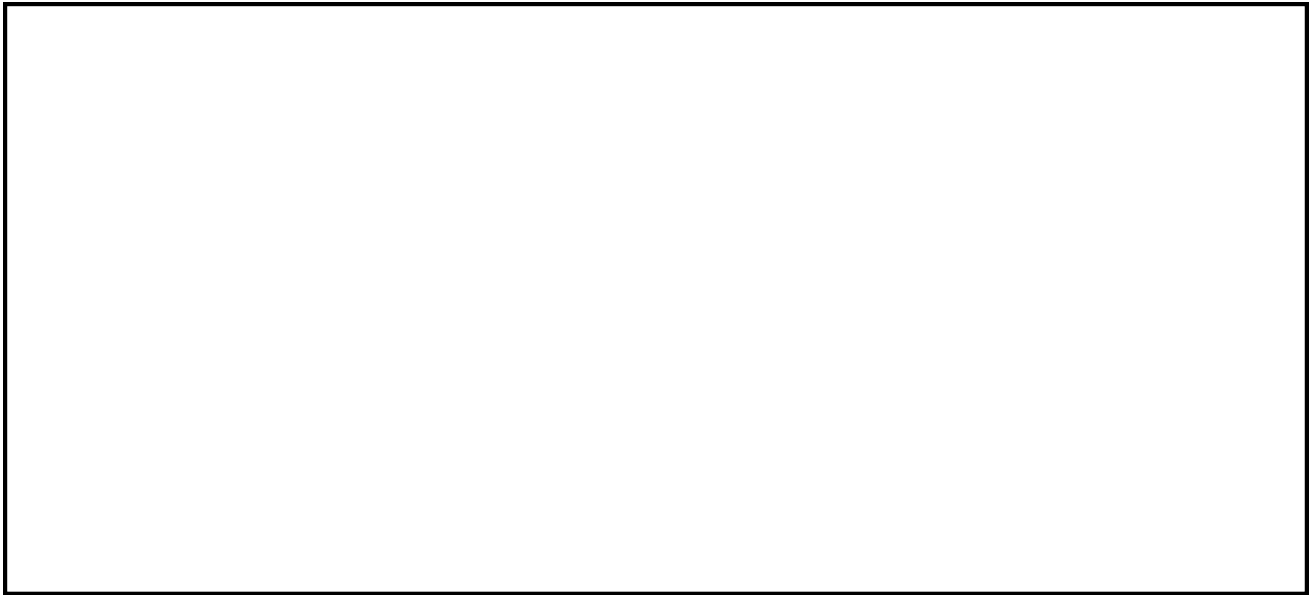

The NB100 simplifies routine floor care. With intuitive controls and minimal training required, operators can quickly deploy the unit and maintain consistent cleaning standards across multiple floor types.

Its lightweight design allows for easy transport between locations, making it an excellent choice for:

- Multi-site operations
- Property management companies
- Cleaning contractors
- Service teams
