## NB380

*Perfect for High-Activity Spaces*

The NB380 Walk-Behind Scrubber is a purpose-built solution for reliable, everyday floor cleaning in small to medium-sized facilities. Designed with operator comfort and effortless maneuverability in mind, this scrubber provides professional-grade results while keeping operation simple and efficient.

Its compact design makes the NB380 ideal for environments with frequent foot traffic and constrained spaces, delivering deep cleaning performance without slowing down your workflow.

### Highlights

- ✓ Cleaning Width: 15 in
- ✓ Working Efficiency: 14,000 sq ft/hr
- ✓ Rated Voltage: 24V
- ✓ Solution Tank Capacity: 3.5 gal
- ✓ Recovery Tank Capacity: 3.5 gal
- ✓ Brush Motor Power: 400W
- ✓ Vacuum Motor Power: 250W
- ✓ Run Time: 3-3.5 hours

### Why Choose the NB380?

#### ✓ Compact Footprint

Easily navigate aisles, tight corners, and busy layouts

#### ✓ User-Friendly Controls

Intuitive operation for fast onboarding and effortless use

#### ✓ Reliable Scrubbing Power

Delivers consistent cleaning performance on a variety of hard floor surfaces

#### ✓ Efficient Water Recovery

Cleans and recovers in one pass, leaving floors dry and safe

Clear, intuitive controls make operation straightforward

Convenient levers allow quick adjustment of operating height and effortless lowering or lifting of the squeegee.

Accessible solution tank opening for quick, hassle-free daily refills.

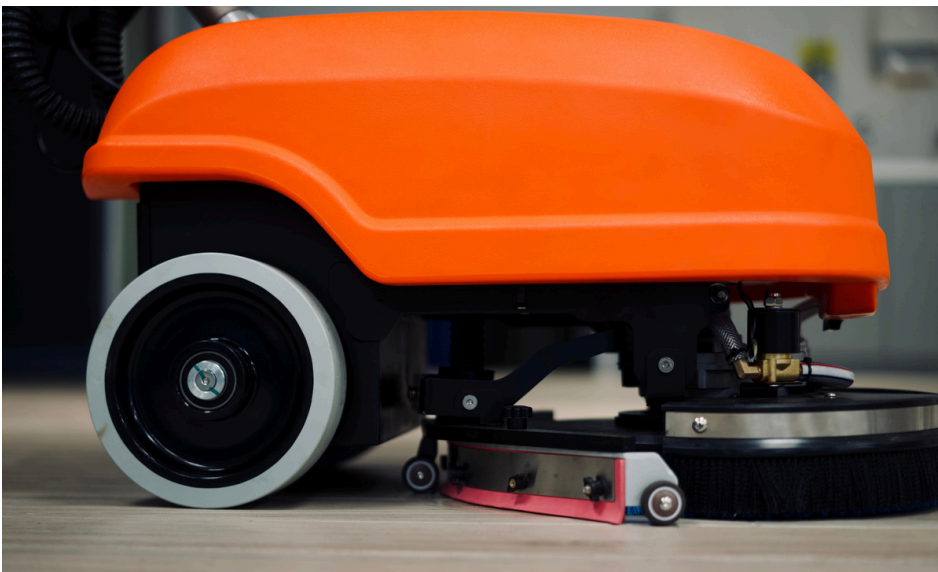

Dedicated dirty water tank ensures efficient wastewater collection and simple.

Vacuum and brush motors are easily accessible for fast inspection, servicing, and reduced downtime.

Accessible Battery & Charging Port designed for easy access, making daily charging quick and efficient.

## Ideal Applications

- ✓ Retail stores and shops
- ✓ Offices and commercial buildings
- ✓ Restaurants and cafés
- ✓ Hotels and hospitality venues
- ✓ Clinics and medical facilities
- ✓ Schools and universities

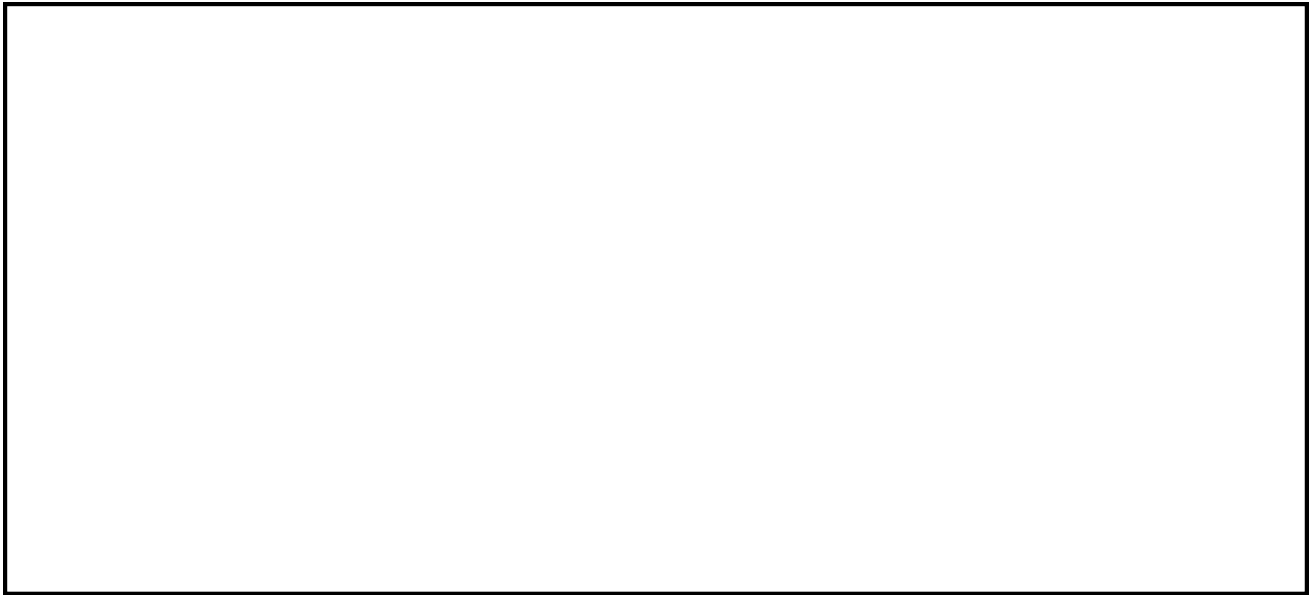

## Clean Smarter in Tight Spaces

With its balanced combination of performance, simplicity, and maneuverability, the NB380 is an excellent choice for facilities that need thorough daily cleaning without complexity.

Whether you're maintaining retail floors, hallways, lobbies, or service areas, the NB380 is engineered to handle a vast array of applications.
