Optional

# Built for Productivity

## ND530

*Perfect for High-Activity Spaces*

The Noblelift ND530 Walk-Behind Floor Scrubber is designed to deliver powerful and efficient floor cleaning in commercial and industrial environments. Combining durability, maneuverability, and operator-friendly controls, the ND530 provides consistent cleaning performance while reducing labor and maintenance costs.

With a 20-inch scrubbing path and self-propelled traction drive, the ND530 allows operators to cover more floor space quickly while maintaining excellent cleaning results on a variety of surfaces. Its compact design makes it ideal for cleaning narrow aisles, hallways, and tight areas while still providing the productivity expected from a professional scrubber.

## Highlights

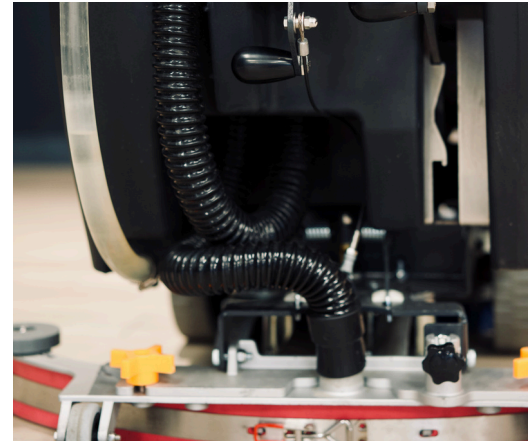

- ✓ Cleaning Width: 20 in
- ✓ Working Efficiency: 28,000 sq ft/hr
- ✓ Rated Voltage: 24V
- ✓ Solution Tank Capacity: 13 gal
- ✓ Recovery Tank Capacity: 12 gal
- ✓ Brush Motor Power: 480W
- ✓ Vacuum Motor Power: 400W
- ✓ Run Time: 4-6 hours

Intuitive touch controls with one-touch brush & vacuum activation and adjustable water flow.

Maintenance-free lithium battery with fast charging for reduced downtime.

Drain hose, ergonomic lift/lower system for squeegee and brush deck.

Easy-access water refill system.

Built-in full tank sensor with quick and easy tank cleaning.

Adjustable brush pressure for optimized cleaning performance on any surface.

## Ideal Applications

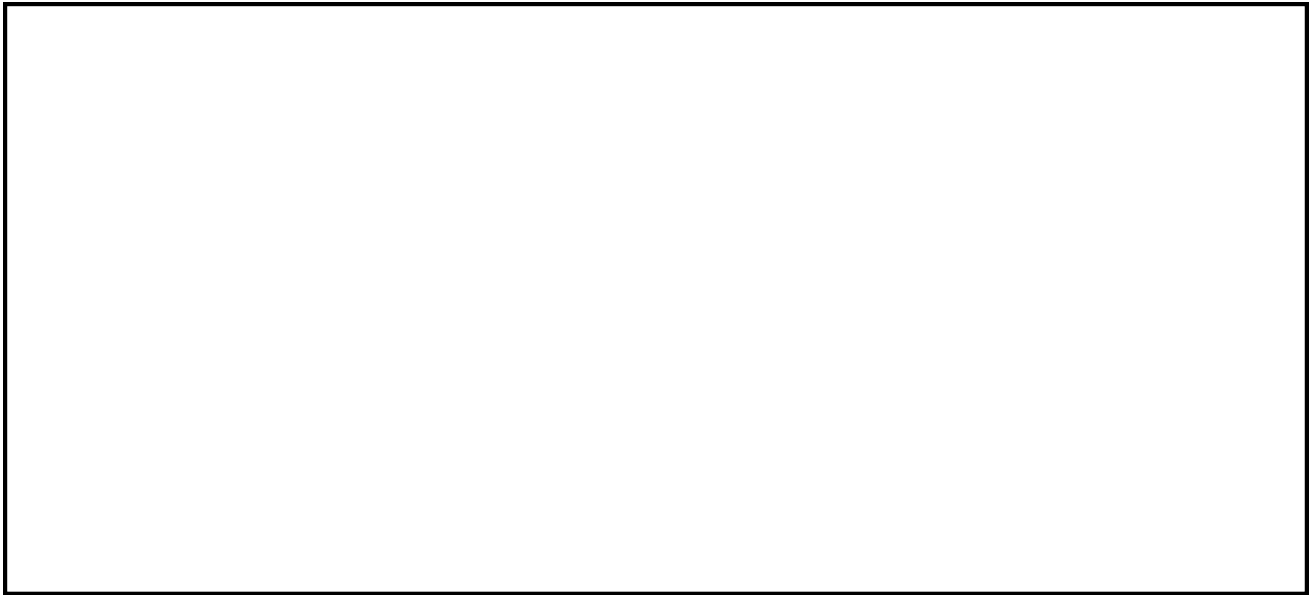

- ✔ Shopping malls
- ✔ Grocery stores
- ✔ Office buildings
- ✔ Hotels & hospitality venues
- ✔ Hospitals & healthcare facilities
- ✔ Transportation stations
- ✔ Schools & universities
- ✔ Warehouses & light industrial spaces

# Operator-Focused Design

Whether you're maintaining floors in high-traffic public environments or ensuring a spotless presentation in commercial spaces, the ND530 delivers reliable, professional results. Its motor-driven system eliminates the need for pushing, reducing operator fatigue while maximizing efficiency, safety, and overall cleanliness.
