HIGH-CAPACITY CLEANING POWER

NR810

31 Gallon *Industrial Ride-On Scrubber*

When it comes to large-space floor care, efficiency matters. The Noblelift NR810 Ride-On Scrubber redefines what it means to clean smart, fast, and thoroughly, delivering professional-grade performance without compromise. Designed for warehouses, distribution centers, manufacturing facilities, airports, retail complexes, and more, the NR810 helps you cover up to 55,000 ft² per hour with ease. With its high-capacity solution and recovery tanks, quiet yet robust operation, and ergonomic ride-on comfort, the NR810 empowers your cleaning team to work confidently and consistently, keeping floors spotless, dry, and safe. Built for efficient daily floor care, this scrubber streamlines operations, minimizes downtime, and delivers consistent, professional results.

Highlights

- ✔ 32" scrubbing width
- ✔ 31 gal solution & 31 gal recovery tank
- ✔ Cleans up to 55,000 sq. ft. per hour
- ✔ Voltage: 24V
- ✔ Run Time: 4+ hours (dependent on battery choice & usage)
- ✔ Brusher dimension: 16in
- ✔ Maintenance-free AGM battery or lithium option

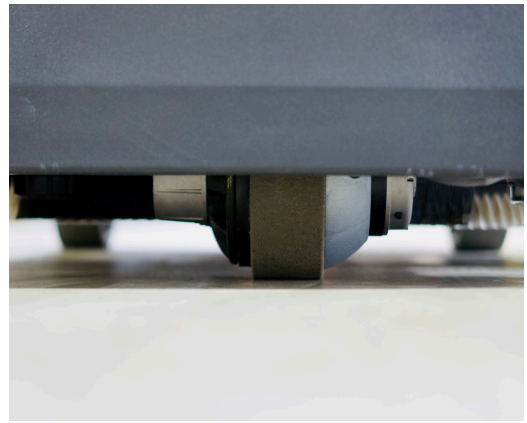

Easy-to-use buttons make operation simple and efficient.

Accessible fill port with built-in level indicator for quick refills and accurate water monitoring.

Enhanced traction design delivers stable, confident operation, even on wet floors.

Quick access allows for fast cleaning and maintenance of the recovery tank, reducing downtime and keeping operations efficient.

External charging port for easy charging.

High-capacity, maintenance-free lead-acid battery provides long operating times.

Clean Smarter. Move Faster. Perform Better.

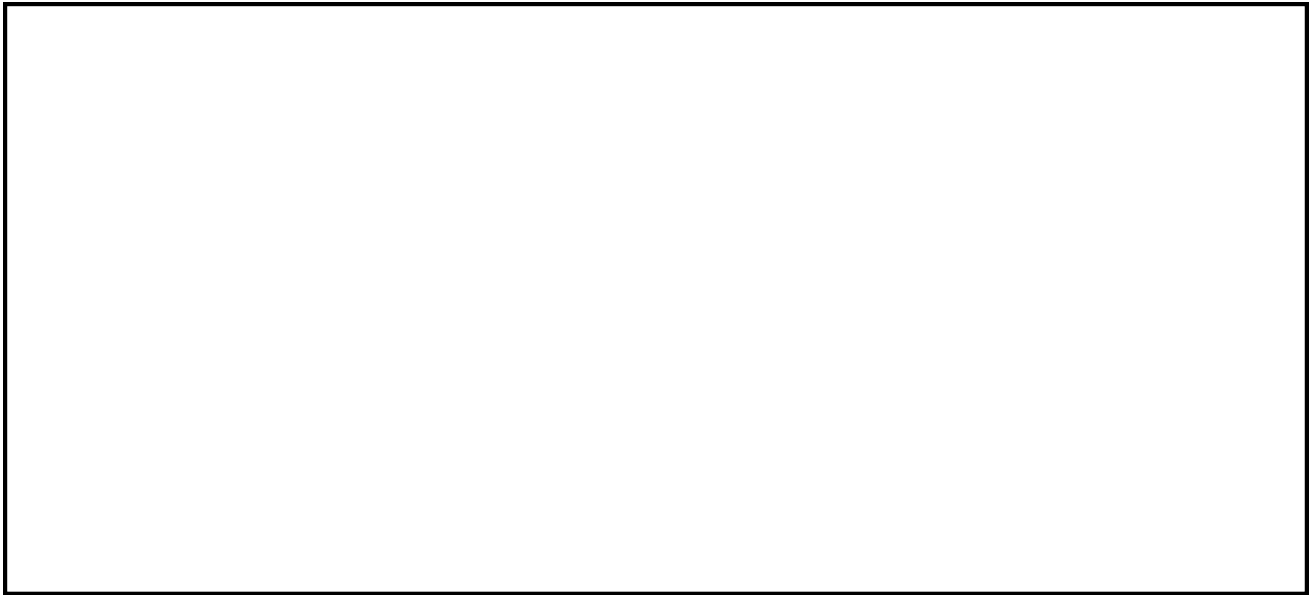

The NR810 goes beyond cleaning, it drives operational efficiency. With robust performance, superior comfort, and heavy-duty durability, it keeps your floors spotless and your team moving forward every shift.

Ideal Applications

- ✓ Warehouses
- ✓ Shopping Malls
- ✓ Hospitals
- ✓ Schools
